Subject: Riverside - schedule call - schedule for Monday 22 June 2020?

Josh,

I've done some revisions on the schedule – have not attached it yet. I just returned it to Len to double check my assumptions but we need to brief you and get on the same page with current situation and getting to 30 Sep 2020.

Not sure tomorrow morning will work given our FS focus but I am open next Monday before 10am and 12-3pm eastern.

Len can weigh in with his open time. Please feel free to loop Michael in~~

I may be a bit behind on PRAP progress but appears we are not as far along as 'planned' so it's time to figure out "Plan B" to keep things on track through 30 Sep. ☺

Good call today – think we made great progress.

I know WSP is gearing up for full weekend of work so will be great to have good direction tomorrow. I would be available for conference call over the weekend if we need to pull the team together – I think in order to make our target we may need a few weekend discussions so want to be available.

Regards, Beth
